4.25.1765 - 7.7.1784 -YEARLY MEETING OF FRIENDS
FOR NEW ENGLAND

From Pembroke
meeting —
Providence 12th Aug 1887.

Mr John B. Baylies

Dear Sir

I am referred to you

by Miss Sarah Brown, daughter of the late
Samuel Brown of Pembroke Mass. to see if you
can furnish some desired information. My
great grandfather Elisha Brown (from
whom the above also descended,) married
for his second wife Hannah widow of
Elijah Cushing & daughter of James (or Isaac)
Barker. A new edition of the genealogy of
our Browns, descendants of Chad Brown of
Providence is in preparation, but we have
not the date of birth or death of this Hannah.
We have only an account that Elisha Brown
married her Feb 22, 1761, she being then
39 years & 9 months old. This makes her born
about May 1721, but we don't know the day,
nor when she died. We also do not feel sure
of the names of her father and first husband.

As these Barker, I think, belonged in Pembroke
or vicinity & belonged to the Society of Friends,
it would much oblige us who ^{are} engaged in this
matter if you would see, ^{& inform us} whether the Friends
Records of that neighborhood, which are in New
Bedford, throw any light on the subject. Mr
W. H. H. Bryant of Bryantville near Pembroke,
who has aided us some, would also like to
know if the Friends Records contain much
about the early Barker in Pembroke.

Yours Truly

Henry T. Beckwith

YEARLY MEETING, SIXTH MONTH, 1865.

"TO THE YEARLY MEETING:

Dear Friends: The Committee appointed to Superintend the Boarding School during the past year, report: that, in the Summer Term of the School, there were in attendance, one hundred and twenty-three pupils, viz: sixty-nine males and fifty-four females, and in the Winter term, one hundred and thirty, viz.: eighty-one males and forty-nine females.

The officers of the Institution have been,—Albert K. Smiley, Principal; Alfred H. Smiley, Associate Principal; Rebecca H. Smiley, Principal of the Female Department; John F. Rowell, Bessie T. Wing, Mary A. Cornell, and Amey E. Johnson, Teachers in the English Branches; Elijah Cook, Teacher of Mathematics; William B. Phillips, Teacher of Ancient and Modern Languages; and Mary A. Potter, Teacher of Drawing. Under this organization a satisfactory progress has been made in the varied departments of literary and scientific knowledge.

Meetings for worship have been regularly held at the School House on First day mornings, and have been seasons of solemnity and interest; and the scholars continue to attend Friends Meeting in the city on First day afternoons and in the middle of the week. A knowledge of the Holy Scriptures has been promoted by daily readings, and exercises on the First day of the week, and the considerate and orderly deportment of the scholars generally, and the evidences afforded by not a few, of a growth in the highest knowledge, has afforded us much satisfaction.

The health of the inmates of the Institution has been remarkably good during the past year, which, under a blessing, we think may in part be attributed to the careful daily attention to gymnastic exercises.

By the report of the committee to examine and settle the accounts of the Institution, it appears that the whole income for the past year exceeds the amount expended, Thirty-one hundred and twenty-five dollars, (\$3,125).

By a circular minute from our Meeting for Sufferings held at Lynn, in the 8th month last, all of our Monthly Meetings were informed of the decision of that Meeting to advance the price for tuition; and the rates then established took effect on the beginning of the Winter term as follows:—For members of this Yearly Meeting, \$100 per term; For members of other Yearly Meetings, and where one or both parents are members of our religious Society, or scholars are sent at the charge of such, \$130 per term; and for any others who may be admitted, \$160 per term. The same additional charges of five dollars for Latin and Greek, French, German and Drawing, as heretofore. It was with reluctance that the apparent necessary increase in the price was resorted to, and we desire that it may be reduced at the earliest possible time; but as we are not now prepared to make any definite suggestions, we would propose to the Yearly Meeting, to commit the subject to the Committee that may be entrusted with the charge of the Boarding School for the ensuing year, to make such timely changes as may appear best, upon mature consideration, and after further developments of the cost of provisions, &c.

In conclusion we gratefully believe that our Boarding School is increasing its means and opportunities of usefulness. We are, however, solemnly reminded, that all our blessings are dependent upon the Father of Mercies. May not, therefore, all who are interested, unite in the desire that His favor and protection may be continued from generation to generation, through Him who is head over all things to the Church?

Signed on behalf and by direction of the Committee,

GILBERT CONGDON, *Clerk.*

REGULATIONS OF THE SCHOOL COMMITTEE.

As the number that can be admitted into the School is limited, it is necessary that the committee should be seasonably informed of all in this Yearly Meeting that desire to occupy places in the School, in order that they may determine how many others, if any, may be received. Application should therefore be made for members of our Yearly Meeting, in season to be laid before the committee at their meetings held in the *third* and *ninth* months. At these meetings, applications for members of our Yearly Meeting will have precedence of all others, after which they will be considered in the order in which they are received.

Applications for the benefit of the "charitable fund," or of "the Jacob Metcalf donation," will also be determined at the times above specified, and in all these cases, information is desired of the age, moral habits and literary acquirements of the applicants, to aid the committee in deciding upon them.

It is expected, and earnestly desired, that *all* the scholars shall be at the School punctually, at the commencement of the term, for the prompt organization of classes; but if circumstances occur to prevent such attendance, notice is to be forwarded to the Principals within one week of that time, stating whether or not their places are desired to be reserved for them. A failure to attend the School, or to give the notice above specified, will be considered a relinquishment of the privilege, unless again admitted by the committee; and in all cases of pupils being admitted for the term and attending the School, it is expected that payment will be made for the term.

Friends of pupils, and all others, visiting the School, will be expected to defray the expense arising therefrom to the Institution.

All applications for admission are to be made to the Principals.

Address,

ALBERT K. SMILEY,

Providence, R. I.

accepted as such. Should you think it expedient to take her case into consideration, perhaps an early attention to it might be well, as she is now nearly sixteen years of age. —
